

Thank you for considering Calgary Christian School for your family.

Calgary Christian has been delivering faith-based education to students since 1963. Today, CCS is home to more than 750 students, attending from Preschool to Grade 12 on our two campuses, and they represent more than 100 denominationally diverse churches in Calgary and the surrounding area.

CCS offers the Alberta Curriculum integrated with the truth of God's word in every subject, acknowledging His presence in all areas of our life and work. Our philosophy is based on "Five Pillars of Excellence" that encourage us to educate the whole child - intellectually, emotionally, physically, socially and artistically; spiritually nurturing our students in each of these areas as well. It is our goal that each person who works, serves and learns at CCS would develop the heart and mind of Christ.

We believe strongly in the Christian community and in the partnership of home, school and church in the education of children. Parents are an integral part of Calgary Christian School and are given countless opportunities to become involved as we feel it is vital to the well being of our students and our school.

Calgary Christian School operates as an Alternative Program within the Palliser School Division. Parents and supporters are members of the Calgary Society for Christian Education, which works in partnership with Palliser to deliver our educational program. The Society has an elected Board of Directors as well as Society Staff that work together to direct the operational aspects of the school.

Again, thank you for your interest in Calgary Christian School. We encourage you to read the enclosed information and also to visit our website for additional insight into our school, and feel free to contact us at any time with any questions you may have. We look forward to hearing from you soon!

Sincerely,

Scott Hickling
