We also provided funding for library shelving, a greenhouse project, a video camera and some cosmetology start-up support at the Secondary. **Do you want to be a part of a group of parents who are passionate about blessing and supporting our school community? Please join us on Friday, April 15, 9:00 am at the ES campus for our next fun, productive and child-friendly meeting.**

Congratulations to all our [Middle School basketball](#) teams this year - Grade 7 boys are league champions, Grade 8/9 boys are both league champions and South Central Zone champions and the Grade 8 boys took second place in the ISAA championship! A big thanks to all of our coaches and teacher sponsors; without you we would not be able to run our sports program here at CCS, so thank you for all your work with our students.

The [Varsity Girls basketball team](#) took the [Provincial Championship](#) - GO COUGARS! The [Varsity Boys](#) were league champions and also competed in Provincials. Thank you to coaches, staff, parents and fans for all their support of the Athletic Program at CCS.

#### The Sound of Music:

Congratulations and "Bravo!" to the cast and crew of this more than sold-out show! An amazing amount of work went into this production by all involved and each and every person deserves a huge 'thank you' for sharing their time and talent to make this such a success. Thank you to Linda Delaney and Rick VanderWoude for their tireless leadership and vision, for the casts' dedication, the musicians' enthusiasm, for the volunteers who crafted costumes, built stage and set, painted scenery, worked the stage crew, manned the intermission, hung lights, created posters, worked the sound booth...the list is endless, as is our gratitude.

Please keep the safety of our students as the first priority, especially when dropping off and picking up students. This poem first appeared in Bridges in 1998, and it is a gentle, timely reminder to us all:

#### What did you teach me today?

When you pick me up in the bus zone  
In a hurry to be on your way  
Or tell me to jaywalk across the street  
**What did you teach me today?**

When you stop your car in the middle of the street  
So I'm on time for school that day  
And disregard the school patrollers  
**What did you teach me today?**

When you park in the handicap stall  
To get "the parking spot of the day"  
And disrespect the person who needs it  
**What did you teach me today?**

I know that you truly care about me  
And the other kids on their way  
But when you break the traffic laws  
**What did you teach me today?**
