Calgary Christian School (CCS) was founded 55 years ago as Calgary's first faith-based, independent Christian school. Today, CCS is a dynamic learning community set on a beautiful 10-acre campus serving more than 800 students in grades K – 12. In 2008, CCS joined Palliser Regional Schools as an alternative Christian public school. Its mission and vision continue to be promoted and governed by the 9-member Board of the Calgary Society for Christian Education. Principals at CCS work in harmony with CSCE's Executive Director who represents the Society's interests and resources. The school is now in the second year of an historic, 5-year strategic plan with objectives to raise awareness of its identity, expand and renew its facilities for 21st century learning, and increase its resources to ensure long-term viability.
