SENIOR HIGH BAND TOUR TO QUEBEC

Fifty senior band and choir students returned safely from their amazing trip. Both ensembles received a superior rating (plaques are in the office window) the highest possible, at the Montreal Rhythms Festival. The students performed for several schools, as well as a church and a seniors home in Quebec City. In addition to the great food in traditional Quebecois fashion, the CCS students saw and explored many great Canadian historical sites. We were blessed and were a blessing to the people we met. Thanks for all your support and prayers.
