## **Toy & Gift Wish List**

Thank you for supporting the kids and families cared for at the Alberta Children's Hospital! Toys and special gifts make kids feel more at home and help brighten their spirits during their stay in hospital. These donations are used throughout the year as distractions and rewards during procedures and tests, as special gifts to celebrate birthdays, holidays and other milestones, prizes for events and programs and to provide entertainment in playrooms. We are so grateful for your support!

- ✓ be sturdy, well-built, non-breakable and able to withstand a lot of use

Please note we are unable to accept:
