

**From the Desk of Denise**  
*CSCÉ Executive Director*

**Give thanks to the Lord, for he is good; his love endures forever.  
Psalm 118:1**

**Our LORD is a good, good Father. His love endures forever!**

I give thanks for our Calgary Christian School family! It is so good to belong to a family who love our Lord Jesus, worship Him and desire His will to be done in the education of our children!

I wish you all a wonderful week together with your families! May God bring your rest and rejuvenation as you spend this week together. Please join me in praying for our teachers as they attend the Teacher's Conference this week. May they each be refreshed and renewed to come back to teach next week with new perspective and new energy.

So many wonderful learning opportunities are happening at both campuses, we give thanks to God for all the blessings He pours out on us! We are grateful for the preparations being made for the students and staff preparing to hike the West Coast Trail and those preparing to travel to Spain over the spring break. We are grateful for all the work poured into our Grade 6 Floor hockey team and the tournament taking place at the Elementary Campus on March 6! Such a fun and exciting time for everyone!

I am praying with you and for all of you.

In Christ,  
Denise Steinke  
Executive Director  
Calgary Society for Christian Education
